## Summer Teacher Workshop Continued

### **First-Year Teachers -**

A First-Year Teacher Orientation is scheduled for Wednesday, August 3, following the Summer Teacher Workshop. This gives us an opportunity to model a club meeting and offer support as new SMILE teachers envision their clubs for the year!

If you are a returning SMILE teacher who hasn't yet attended a First-Year Teacher Orientation, we'll inform you and encourage you to join us!

### **SMILE Workshop Sign-Ins - Places and Times -**

- Teachers will sign-in on Monday, August 1, 8 a.m. to 8:30 a.m., outside Strand Ag Hall (Library Quad side).
- First-Year Teacher Orientation will be Wednesday, August 3, from 2:00 p.m. to 4:15 p.m. Lunch will be provided.

### **Lodging/Meals -**

You will be staying in Finley Residence Hall this year. Bedding and towels are provided, and Internet service will be available. Don't forget to bring any personal items you may need or any other items you may want such as an alarm clock or a personal fan (there is no air conditioning in the residence halls).

We will be walking on campus, as well as during our field day on Tuesday, so be sure to bring good walking shoes and closed toe shoes. Also, the weather is unpredictable, so please bring a light jacket just in case. We will confirm whether you check-in at the Service Center in Arnold Dining Center or call the on-duty person for your room key closer to the workshop.

When you arrive, you will receive a check-in packet containing your room key, building fob and a meal card valid at Arnold Dining Hall. This meal card is valid at Arnold Dining Center for an all-you-can-eat, one time through meal. Your card has a specified number of meals on it, so please don't use it more than once for any one meal. Items in the coolers are not part of the meal card plan. Otherwise, you can get food from any food venue. Anything not available to meal cards should be clearly marked.

First meal will be breakfast on Monday morning from 7 a.m. to 8 a.m. for those staying in the residence hall Sunday night and last meal will be breakfast on Wednesday. All teachers will be provided lunch on Wednesday. *Note: for teachers arriving on Sunday, July 31, you tentatively may be able to use your meal card to purchase dinner at Arnold from 5 p.m. to 7 p.m. We'll keep you updated on this.*

### **Stipends -**

Only teachers who participate in ALL sessions (First-Year Teachers — Monday through Wednesday 4 p.m.; Returning teachers — Monday through Wednesday 1 p.m.) will receive the stipend — \$225.

## Summer Teacher Workshop Continued

### Parking -

Whether you are commuting or staying on campus, if you are driving, you will need a parking permit for each weekday (Monday, Tuesday and Wednesday). Permits are not needed on Sunday. The permit will enable you to park in any lot zoned B or C (there is a map of allowable parking lots printed on your permit). You will be responsible for any parking ticket you may receive. Please request a parking permit only if you will be driving to campus, as the permits cost SMILE \$10/day.

Permit access will be emailed to you on or about July 25. Permits are now virtual, so you will be asked to register your vehicle, so that the license plate scanner can verify you have a valid permit.

### Travel -

Due to limited travel funds, we encourage you to carpool with others from your community. Not only does this help to reduce our carbon footprint, having someone to talk to along the way makes the trip much more enjoyable!

### Workshop Materials -

You should allow space in your vehicle for 1-2 archive boxes of materials and other resources per community.

### Directions to OSU and Finley Residence Hall -

Take the Hwy 34/Corvallis (mile marker 228) exit from I-5. Follow Hwy 34 west approximately 10 miles into Corvallis, cross the Harrison St. bridge and turn left onto 4th St (2nd signal after the bridge). Turn right on Jefferson Ave. Follow the signs to the OSU campus.

To Finley: turn LEFT onto 15th St; turn RIGHT on Washington (just this side of the train tracks) then turn LEFT on 17<sup>th</sup> Street (across from the baseball stadium). Then turn RIGHT into the parking lot. Finley Hall's address is 2100 SW May Ave., Corvallis, OR 97331. *A campus map highlighting important building locations will be provided closer to the workshop.*

# OSU Precollege Summer Programming

**OSU's Precollege Programs has a lot of great summer activities!**

**iINVENT** - Invention summer camps are off and running! We have camps scheduled each week from now until September 2nd. A special thank you to the many of you who hosted invention programs this year – Jorge Mendieta, Amanda Sater, and Tyler Lindsey!

Here is a video our funders shot at Seven Oak Middle School in Lebanon. -

**Youth as Inventors** - The Youth as Inventors (YAI) 4-week pilot program took place from May 23<sup>rd</sup>- June 17<sup>th</sup>. Students from Newport High School finished the program with 2 days at the HMSC iLab, prototyping and testing their final inventions which focused on stopping marine debris and improving earthquake and tsunami notification systems. Check out some photos from the YAI program:

## Adventures in Puerto Rico

Above: Up close and personal with the Endangered Puerto Rican Parrot.

In June, OSU Precollege Program staff members including Director, Susan Rowe, Associate Director, Jay Well (pictured lower right), and Sr Coordinator, Emily Nicholson (pictured lower left), partnered with many agencies including: OSU MANRRS, OSU GO, USDA, Surfrider Foundation, and USFWS, for a 10-day trip to Puerto Rico to engage in service-learning projects with 6 high school students and 24 college students. Five of the college students were either former SMILE members or Summer Bridge participants! One of the mentors was also a former SMILE volunteer. We hope you enjoy some photos from the experience!

From beaches and mangroves to mountain forests, Puerto Rico has it all!
