Summer Teacher Workshop Wrap-Up

Thank you for joining us!

We had an absolute blast connecting with everyone who attended the Summer Teacher Workshop! We appreciate your time, energy, and enthusiasm, as we kick-off a new year in SMILE! For those who were unable to attend, two boxes of activity materials will be delivered to your school. In your materials boxes, you'll also find QR codes that correspond with lesson folders.

Check out our workshop folder on Google Drive for all content presented during workshop sessions, administration info, and pictures: [Click Here](#)

We hope you enjoy the rest of your summer and look forward to connecting again this fall!

Newsletter Update- The newsletter will return on Thursday, August 25, and will go out every other week thereafter.

2022-2023 SMILE Contracts - By the end of the day on Friday, August 12, teachers will have received a copy of their 2022-2023 SMILE contract, via their school email address. Contact us with any questions.

Great Times at the Workshop!

Some highlights from this year's Summer Teacher Workshop include: a chilly but fascinating tour of OSU's "Core Lab," an assortment of hands-on activities teachers can use in their clubs, and a trip to MacDonald Forest, where we saw cutting edge tree harvesting technology in action!
